

ENGLISH LANGUAGE AND COMPOSITION

Question 1

Suggested reading and writing time —55 minutes.

It is suggested that you spend 15 minutes reading the question, analyzing and evaluating the sources,
and 40 minutes writing your response.

Note: You may begin writing your response before the reading period is over.

For centuries, writers, scholars, artists, politicians, and residents of the United States have attempted to capture its complexity in a single image or idea. Among many other metaphors, “America”¹ has been compared to a dream, a promise, a contract, a city on a hill, a melting pot, a salad bowl, a quilt, and an experiment.

Carefully read the following seven sources, including the introductory information for each source. Then synthesize material from at least three of the sources and evidence from your own observation, experience, or reading, and incorporate it into a coherent, well-written essay in which you develop your position on the metaphor or idea that best represents America. You may choose to defend and support a metaphor or idea suggested in one of the sources, or you may create your own, using the sources to support your position.

- Source A (Paine)
- Source B (Jefferson)
- Source C (Douglass)
- Source D (Lange)
- Source E (King)
- Source F (Reagan)
- Source G (Gorman)

In your response, you should do the following:

- Respond to the prompt with a **thesis** that may establish a line of reasoning.
- Provide **evidence from at least 3 of the provided sources** and **evidence from your own observation, experience, or reading** to support your thesis. Indicate clearly the sources used through direct

- Think about the list of sources as a list of voices you can choose to hear from. Which of these voices do you want in the conversation (sitting at the table) about this prompt? Think of reading the sources as “listening” to their conversation.
- Consider which voices are NOT included

¹ “America” refers to all the lands in the Western Hemisphere, comprising the continents of North America and South America, but is colloquially used to refer specifically to the United States. For the purposes of this prompt America=the U.S.
