

Example of an
INTERNAL RHYME

The ship was **cheered**, the harbor **cleared**,
Merrily did we drop
Below the kirk, below the hill,
Below the lighthouse top.

Oton de Granson, Poems ,2015-09-01 Oton de Granson slain in a duel in 1397 was a knight diplomat and poet who lived an active almost storybook life at or near the center of many of the most important events in the last half of the fourteenth century He was almost certainly a personal friend to both Chaucer and Eustache Deschamps and among the first and most successful of the poets who were also courtiers This new translation makes Granson s poetry available again to English readers

Guido Cavalcanti Gregory B. Stone,2020-03-04 Guido Cavalcanti Dante s intellectual mentor is widely considered among the greatest Italian lyric poets his famous and notoriously difficult philosophical canzone Donna me prega is often characterized as the most studied lyric poem in Italian literature This book situates Cavalcanti s poetry in the context of the Arabic Aristotelian rationalism that entered the Latin West in the 12th century a tradition marked by questions concerning whether humans can ever transcend their animality Cavalcanti s poetry is a focal point where one can view circa 1300 AD Arabo Islamic philosophy in the process of being assimilated and naturalized in Western Europe eventually leading to values associated with the Renaissance and the Enlightenment that we now call modern and secular in particular to a notion of human reason as bound up with imagination and with ethical praxis rather than as a means for the attainment of knowledge concerning God and the cosmos The book features a radically unprecedented interpretation of Donna me prega starkly opposed to all previous accounts far from treating love as a threat to reason that would best be eliminated the canzone praises loving as the essential operation of rational human flourishing This study of Cavalcanti serves as a prelude to the

It deals with the fundamental concepts of literary form and genre, the history of English language literature from the medieval period to the present, relations between the study of literature and other disciplines, literary theory, researching a topic and writing a paper. This new edition contains a brand new chapter which takes literary theory to another level, using it to link literature to the issues that concern us most, whether in our own lives or in the UN's Sustainable Development Goals. The book has also been fully updated throughout with significant additions to the introduction and further reading sections. Overall, *Literature in English: Grounds* grounds the study of literature throughout by referencing a selection of well-known novels, plays, and poems. It examines the central questions that readers ask when confronting literary texts and shows how these make literary theory meaningful and necessary. It links British, American, and postcolonial literature into a coherent whole. It discusses film as literature and provides the basic conceptual tools needed to study film within a literature course framework. It places particular emphasis on interdisciplinarity by examining the connections between the study of literature and other disciplines. It links literary theory to current global challenges, placing special emphasis on new and evolving approaches such as ecocriticism, new materialism, and the spatial turn. It provides extensive guidance on further reading. Written in a clear and engaging style, this is an essential guide for literature students around the world.
