

The League of Nations and international relations in the 1920s

This chapter considers the peace settlements of 1919–20 and the aims and motives of the participants. It assesses how effective these complex settlements were and what their impact, particularly on Europe and the Middle East, was. It analyzes these problems by examining the following key questions:

- ★ Why was there dissatisfaction with the peace settlements of 1919–20?
- ★ How and why did international tensions remain high in the period 1920–23?
- ★ How successful were attempts to improve international relations from 1924–29?
