The Sinners Guide:

The Sinner's Guide Venerable Louis of Granada, Aeterna Press, 2018-03-22 Two things Christian reader particularly excite the will of man to good A principle of justice is one the other the profit we may derive therefrom All wise men therefore agree that justice and profit are the two most powerful inducements to move our wills to any undertaking Now though men seek profit more frequently than justice yet justice is in itself more powerful for as Aristotle teaches no worldly advantage can equal the excellence of virtue nor is any loss so great that a wise man should not suffer it rather than yield to vice Aeterna Press

The Sinner's Guide Venerable Louis of Granada, 2012-01-20 Venerable Louis of Granada was the favorite spiritual writer of St Teresa of Avila St John of the Cross St Francis de Sales St Charles Borromeo St Vincent de Paul and St Rose of Lima and *The Sinner's Guide* along with *The Book of Prayer and Meditation* is one of his two most famous and most popular books In fact the great St Teresa of Avila credited *The Sinner's Guide* with having converted over a million souls in her own time We are all destined to one or the other says Ven Louis either to reign eternally with God in Heaven or to burn eternally with the devils in Hell This inescapable fact is vividly brought to life on every page of this masterfully written book Utterly realistic with regard to the ultimate end of human life Venerable Louis of Granada presents here the Four Last Things Death Judgment Heaven and Hell even rehearsing with the reader the day of his death and the moment of his judgment His description of the despair in Hell will shake loose any desire by even the most hardened sinner to persevere in sin Man's classic excuses such as planning to convert later and the difficulty of practicing virtue are thoroughly demolished Moreover Ven Louis shows how the sinner's life because of his gnawing conscience is a continual torment to him even while still on this earth Whereas the practice of virtue brings the wonderful promise of Heaven plus the beautiful joy of a clear conscience and the many other marvelous advantages of holiness even here in this life *The Sinner's Guide* is a book of crystal clarity which cuts through the religious fog so prevalent today It strips away the glamour of sin fortifying the soul for the resolute practice of the Christian virtues those true riches which alone will accompany him beyond the grave
