Canadian Credit Institute,1958 *Car Leasing Done Right* Jorge Diaz,2021-11-05 Vehicle leasing is one of the most cost
effective ways of solving transportation needs in Canada Still it doesn't mean everybody does it right It took more than 15
years to gather all the information provided in this book It is a guide that will help anyone to confidently sign and satisfy his
her transportation needs with a lease contract You will learn to easily understand the numbers How to sign a contract that
gives you peace of mind How to transfer your lease without affecting your credit You will learn the right way of leasing a car
you can afford without hurting your finances And many more other tips for your insurance warranty saving money and time
This book is divided into three main parts Vehicle Leasing Basics Lease Transfer Takeover and Car Leasing Statistics in
Canada If you are new to car leasing or financing or just want to get rid of all those doubts you may have regarding a vehicle
purchase Part One Vehicle Leasing Basics is a must read You will learn to understand all the way down from pricing
kilometers km term agreement and all other factors that define a lease contract You will come to understand these all in a
way that won't make getting your next car a big deal Simply put leasing a vehicle will seem like the regular transaction it was
always supposed to be Additionally you will learn about the coverage products that come along with your car Those designed
to cover the unexpected and give you peace of mind Scratches dents and damage will always happen because your vehicle
and others are on the go It was designed and expected to receive damage wear and depreciation You just need to be
prepared for it Next in Part Two Lease Transfer Takeover you will learn the perks of one of the most important components
of a lease contract the opportunity to terminate your contract by giving it away to someone else You will learn about the
process the benefits and the costs of doing this Although we can all estimate how long we might need a car life will always
throw surprises at us and our loved ones a newborn a new work vehicle new routes to a new office downsizing or any other
major life change After operating the LeaseCosts Lease Takeover Marketplace for years I've learned so many things that
would love to share with you here from both the buyer and the seller perspective And Part Three Car Leasing Statistics in
Canada will give you a lot of new insights on how we Canadians consume our vehicles You will also get a look into a deep 15
year study that involves over 23 000 vehicle leasing contracts cross country that will help you understand things like How
much Canadians pay per month on average on a car lease The average for each specific car make The most popular leasing
terms by manufacturer The average down payment for Volkswagen Audi KIA etc and how many people make a down payment
How many people actually take the Wear Tear coverage LA1 JD2 and how it can impact on future unexpected events The kind
of average payment you should expect for high end vehicles compared to mass market ones How much you should offer as an
incentive if you need to transfer your lease After finishing all three parts you will walk away with a solid understanding of
how car leasing works in Canada and I guarantee that you will feel prepared and confident when considering and signing
