A secret recipe that can be used to produce delicious chocolate-based foods. This book provides the original classic and becomes a recipe book that you can refer to to provide a variety of exciting and delicious chocolate food.      Culinary Landmarks Elizabeth Driver, 2008-04-05 *Culinary Landmarks* is a definitive history and bibliography of Canadian cookbooks from the beginning when *La cuisinière bourgeoise* was published in Quebec City in 1825 to the mid-twentieth century. Over the course of more than ten years, Elizabeth Driver researched every cookbook published within the borders of present-day Canada, whether a locally authored text or a Canadian edition of a foreign work. Every type of recipe collection is included from trade publishers' bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women's groups. The entries for over 2,200 individual titles are arranged chronologically by their province or territory of publication, revealing cooking and dining customs in each part of the country over 125 years. Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books. Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada, while brief introductions for each province identify regional differences in developments and trends. Four indexes and a *Chronology of Canadian Cookbook History* provide other points of access to the wealth of material in this impressive reference book.      **Chocolate and Cocoa Recipes** Miss Parloa, Janet McKenzie Hill, 2014-06-11 *Chocolate and Cocoa Recipes Home Made Candy Recipes* By Miss Parloa and Janet McKenzie Hill. The term Cocoa, a corruption of Cacao, is almost universally used in English-speaking countries to designate the seeds of the small tropical tree known to botanists as *THEOBROMA CACAO* from which a great variety of preparations under the name of cocoa

and chocolate for eating and drinking are made The name Chocolate is nearly the same in most European languages and is taken from the Mexican name of the drink Chocolate or Cacahuatl The Spaniards found chocolate in common use among the Mexicans at the time of the invasion under Cortez in 1519 and it was introduced into Spain immediately after The Mexicans not only used chocolate as a staple article of food but they used the seeds of the cacao tree as a medium of exchange No better evidence could be offered of the great advance which has been made in recent years in the knowledge of dietetics than the remarkable increase in the consumption of cocoa and chocolate in this country The amount retained for home consumption in 1860 was only 1 181 054 pounds about 3 5 of an ounce for each inhabitant The amount retained for home consumption for the year ending Dec 31 1908 was 93 956 721 pounds over 16 ounces for each inhabitant Although there was a marked increase in the consumption of tea and coffee during the same period the ratio of increase fell far below that of cocoa It is evident that the coming American is going to be less of a tea and coffee drinker and more of a cocoa and chocolate drinker This is the natural result of a better knowledge of the laws of health and of the food value of a beverage which nourishes the body while it also stimulates the brain Baron von Liebig one of the best known writers on dietetics says It is a perfect food as wholesome as delicious a beneficent restorer of exhausted power but its quality must be good and it must be carefully prepared It is highly nourishing and easily digested and is fitted to repair wasted strength preserve health and prolong life It agrees with dry temperaments and convalescents with mothers who nurse their children with those whose occupations oblige them to undergo severe mental strains with public speakers and with all those who give to work a portion of the time needed for sleep It soothes both stomach and brain and for this reason as well as for others it is the best friend of those engaged in literary pursuits *Chocolate and Cocoa Recipes and Home Made Candy Recipes* Hill and Parloa,2017-03-27 **Chocolate and Cocoa Recipes and Home Made Candy Recipes** by Hill and Parloa **Chocolate and Cocoa Recipes** Janet MacKenzie Hill,2018-09-05 **Chocolate and Cocoa Recipes** Janet MacKenzie Hill For six cupfuls of cocoa use two tablespoonfuls of the powder **Chocolate and Cocoa Recipes and Home Made Candy Recipes** Miss Parloa,2016-10-20 [Chocolate And Cocoa Recipes And Home Made Candy Recipes](#) Maria Parloa,Mrs. Janet Mckenzie Hill,2020-01-23 **Chocolate And Cocoa Recipes And Home Made Candy Recipes** This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high quality images and table elements giving our readers the feel of holding a fresh and newly reprinted and or revised edition as opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the work was re created from the scratch therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes hyphenations punctuations blurred images missing content pages and or other related subject
