Buttons – hello there boys and girls, I'm Buttons; I got that name because I really like buttons, chocolate buttons as you can tell, I'm a servant here in this glorious house. But all is not well. The master of the house has recently passed away and left his three children and my boss, Baroness Hardup. Money is tight and I work for a pittance, all I've got that's worth anything is this coat. It's an antique. But what can you do? There's not a lot of call these days for a bell boy. Oh here she comes the most beautiful woman in the world.

Cinderella – Oh Buttons, I'm so glad you're here. My wicked step mother is refusing to let me go and buy new clothes. She cries

Buttons – But Cinders, your not as rich as you were before, we all have to tighten our buttons.

Cinderella – but my sisters have been allowed to go, it doesn't seem at all fair

Buttons – life isn't Cinders love, but we'll get through it.

Cinderella – You're a good friend, thanks for listening to me, she kisses him on the cheek

Buttons – Anytime

to audience I mean it!

Enter Ugly sisters

Ugly sister 1 – oh there you are, you little monkey, could you run along and get me a cup of tea.

Buttons – Straight away, to audience have you ever seen such a ghastly pair?

Ugly sister 2 – She wasn't talking to you, sexy boy, she was talking to the stick insect.

Cinderella – get your own tea you lazy...

Baroness Hardup – Listen precious, you'll do as you are told, times are hard and I need you to help more around the house, since your poor father passed away we have all needed to pull our weight

Buttons – some have us have got more weight than others to pull!

Baroness Hardup – You, little illegitimate urchin have done naif all and that's about to change. From now on you will do your share of the house work and you'll do it with a smile, is that understood?

Cinderella – but mother dearest I work as hard as I can

Baroness Hardup – Silence, just run along and get the tea

Staging Fairyland Jennifer Schacker,2018-12-17 Examines pantomime and theatricality in nineteenth century histories of folklore and the fairy tale In nineteenth century Britain the spectacular and highly profitable theatrical form known as pantomime was part of a shared cultural repertoire and a significant medium for the transmission of stories Rowdy comedic and slightly risqu pantomime productions were situated in dynamic relationship with various forms of print and material culture Popular fairy tale theater also informed the production and reception of folklore research in ways that are often overlooked In *Staging Fairyland Folklore Children s Entertainment and Nineteenth Century Pantomime* Jennifer Schacker reclaims the place of theatrical performance in this history developing a model for the intermedial and cross disciplinary study of narrative cultures The case studies that punctuate each chapter move between the realms of print and performance scholarship and popular culture Schacker examines pantomime productions of such well known tales as Cinderella Little Red Riding Hood and Jack and the Beanstalk as well as others whose popularity has waned such as Daniel O'Rourke and The Yellow Dwarf These productions resonate with traditions of impersonation cross dressing literary imposture masquerade and the social practice of fancy dress Schacker also traces the complex histories of Mother Goose and Mother Bunch who were often cast as the embodiments of both tale telling and stage magic and who move through various genres of narrative and forms of print culture These examinations push at the limits of prevailing approaches to the fairy tale across media They also demonstrate the degree to which perspectives on the fairy tale as children s entertainment often obscure the complex histories and ideological underpinnings of specific tales Mapping the histories of tales requires a fundamental reconfiguration of our thinking about early folklore study and about fairy tales their bearing on questions of genre and ideology but also their signifying possibilities past present and future Readers interested in folklore fairy tale studies children s literature and performance studies will embrace this informative monograph
