WASHINGTON, DC

MEMORANDUM

August 1, 2014

To: American University Community
From: Dan Nichols, Executive Director University Safety Programs
Subject: Parking Task Force Recommendation Implementation

As the fall semester quickly approaches, additional vehicles will soon be returning to campus. This year, we will be operating without the additional parking spaces that were on the Nebraska Lot. This change will require us to optimize the remaining parking spaces in the lots and garages across campus. To that end, as President Kerwin referenced in his memo dated July 24, the University Parking & Transportation Task Force, comprised of representatives from across the campus, completed a comprehensive set of recommendations to manage the existing parking inventory. Over the coming weeks, the Department of Public Safety will be implementing those recommendations with the assistance of its campus partners.

This is the first in a series of memorandums to the AU community that explains the changes and prepares AU to optimize parking for all who drive to campus. Updates regarding the implementation of each of the recommendations will be sent over the next several weeks.

Faculty & Staff Parking

- All faculty & staff monthly parking permit stickers (purchased via payroll deduction) will be replaced between September 1 and September 12, 2014. Current monthly parking permit stickers will expire on September 15, 2014. Permit distribution locations and times will be announced in a future communication.
- All faculty & staff monthly parking permit hangtags (purchased via cash, check or credit) will expire on the date indicated on the hangtag.

Student Parking

- Commuter student parking permits are available for purchase beginning on August 18, 2014. Current summer commuter student parking permits expire on August 15, 2014.
