

WRITING – Parallel Structure

In the CELBAN writing assessment you will be asked to write a report. Lists of items or actions that occur in a particular sequence are common in written reports. Ordering these items with the same grammatical structure can help readers follow your writing. This is called parallel structure.

Parallel structure is also important in speaking in order to be clearly understood. Parallel structure can happen at the word, phrase, or clause level. Join parallel structures with coordinating conjunctions such as “and” or “or.”

Words and phrases that help build parallel structure.

Adjectives

The patient was **hostile**, **disoriented**, and **paranoid**.

Gerunds

The patient said he likes **dancing**, **hiking**, and **swimming**.

Infinitive phrases

The patient said he likes **to dance**, **to hike**, and **to swim**.

The patient said he likes **to dance**, **hike**, and **swim**.

Adverbs

The patient walks **slowly**, **carefully**, and **deliberately**.

Clauses

The nurse said **that I should sleep** more, **that I should eat** less fat, and **that I should refrain** from lifting heavy objects.

The nurse said that I should **sleep** more, **eat** less fat, and **refrain** from lifting heavy objects.

List after colon

Several factors contributed to the incident: the **dark room**, **broken light**, and **slippery floor**.

Correct the parallel structure

1. The nurse took his pulse, examined his heart, and his respiratory rate.
2. The nurse studied physiology, to assist in surgery, and anatomy.
3. After surgery don't exercise, lift heavy objects and no shopping.
4. Inform your doctor if you experience difficulty with speaking, how to follow directions, and remembering.

(suosceup buwocoy 'p' obus 'p' busunu
rodlun' 'z' estu /uostudeau ou pexocou' 'j')

Additional strategies to develop parallel structure

- Review your writing, pausing at the words “and” and “or.” Check on each side of these words to see whether the items joined are parallel. If not, make them parallel.
- Check bulleted lists to make them parallel.
- Listen to the sound of the items in a list or the items being compared. Do you hear the same kinds of sounds? For example, is there a series of “-ing” or “-ed” endings on each item?

Celban Writing Sample

Marilyn McGreer

Celban Writing Sample:

Transforming Nursing Education Margaret Dexheimer Pharris, Susan Dandridge Boshier, 2008-09-22 Through case studies practical examples and in depth analysis of successful programs this book provides a roadmap for creating a more welcoming environment for minority students and faculty revamping traditional teaching methods to accommodate diverse learning styles developing and teaching a culturally competent nursing curriculum and removing cultural and linguistic barriers to success this landmark book is an invaluable resource and absolutely essential reading Minority Nurse Magazine Readers will learn more about how to create a dynamic inclusive and challenging learning environment that remains true to the purpose of graduating highly qualified nurses to meet the need of a diverse multiracial multicultural multilingual society Gloria Smith RN MPH PhD FAAN FRCN Boshier and Pharris's provocative and timely volume addresses the critical need for nursing educational systems to graduate more culturally diverse nurses This vital resource will help nursing educators critique and redesign their curricular pedagogical and structural systems to address this need for cultural inclusion within nursing education Highlights of this book Addresses barriers to success for nursing students from culturally diverse backgrounds in the U S U K Canada Australia and New Zealand Features pedagogical strategies to help linguistically diverse students succeed in clinical settings Provides assessment practices that eliminate cultural and linguistic biases Presents initiatives for developing the leadership skills of culturally diverse students Contains detailed case studies of multicultural nurses and students Includes recommendations and questions for dialogue at the end of each chapter With this book educators and administrators can begin to forge through the obstacles institutionalized in their nursing educational systems and ultimately see a more culturally inclusive educational environment
