Built Jay Crownover,2016-01-05 Sometimes a real hero lets you save yourself Sayer Cole and Zeb Fuller couldn't be more different She's country club and fine dining he's cell block and sawdust Sayer spends her days in litigation while Zeb spends his working with his hands But none of that has stopped Zeb from wanting the stunning blonde since the moment he laid eyes on her even if the reserved lawyer seems determinedly oblivious to his interest Sayer is certain the rough hard hot as hell Zeb could never want someone as closed off and restrained as she is which is a shame because something tells her he might be the guy to finally melt her icy exterior When he shows up at Sayer's door needing her professional help she's both disappointed and relieved that she won't get the chance to find out just how good he could be But as they team up to right a wrong and save a family the steam created when fire and ice collide cannot be ignored Crownover weaves a tale that touches every emotion and keeps the pages turning Liliana Hart New York Times bestselling author *Salvaged* Jay
