1. What new suffering must Antigone and Ismene endure?

Creon has ordered that their brother, Polynices, is not to be given a proper burial.

2. Contrast Ismene and Antigone in terms of their character traits.

Antigone is determined, willful, ready to face death. She does what she believes is right to protect her honor. Ismene is passive, obedient, and feels she is powerless against the state.

3. What does Antigone plan to do? Why? What consequences will she face?

She will bury her brother because it is the will of the gods that a family gives its members a proper burial. She will face the punishment of death for disobeying Creon's order.

4. What background information does the chorus provide as they express gratitude for the peace in Thebes?

Polynices formed an army and attacked Thebes. His brother Eteocles stayed loyal to Creon and fought against Polynices. In the battle, the brothers "against each other...laid lances at aim" and both died. (Pg. 7)
