A Comparative Tables of the Principal Schemes which Have Been Proposed for the Classification of Libraries, Or of Human Knowledge Generally Edward Edwards,1855 **Big Business and Hitler** Jacques R. Pauwels,2017-10-31
For big business in Germany and around the world Hitler and his National Socialist party were good news Business was bad in the 1930s and for multinational corporations Germany was a bright spot in a world suffering from the Great Depression As Jacques R Pauwels explains in this book corporations were delighted with the profits that came from re arming Germany and then supplying both sides of the Second World War Recent historical research in Germany has laid bare the links between Hitler s regime and big German firms Scholars have now also documented the role of American firms General Motors IBM Standard Oil Ford and many others whose German subsidiaries eagerly sold equipment weapons and fuel needed for the German war machine A key roadblock to America s late entry into the Second World War was behind the scenes pressure from US corporations seeking to protect their profitable business selling to both sides Basing his work on the recent findings of scholars in many European countries and the US Pauwels explains how Hitler gained and held the support of powerful business interests who found the well liked one party fascist government ready and willing to protect the property and profits of big business He documents the role of the many multinationals in business today who supported Hitler and gained from the Nazi government s horrendous measures **Parliamentary Papers** Great Britain.
