Integrating the 12 Steps into Addiction Therapy James R. Finley, 2004-10-20 All the resources needed to fully integrate a 12 step approach as part of your overall treatment program Millions of Americans have at some time in their lives participated in a 12 step program for treatment of a chemical or non chemical addiction Clinicians recognize that these grass roots efforts have a very high cure rate However little has been written on how to integrate these programs into a traditional therapy setting Integrating the 12 Steps into Addiction Therapy serves as an indispensable resource for clinicians treating addiction patients who are simultaneously enrolled in 12 step programs This valuable text Contains eight lesson plans and twenty seven assignments Integrates in depth discussion of 12 step programs with hands on resources like homework assignments treatment plan examples and patient handouts Will also benefit 12 step program peer counselors Includes companion CD ROM with fully customizable homework assignments lesson plans and presentations Treating addictions whether chemical or non chemical can be one of the most difficult challenges faced by mental health professionals For many people 12 step programs have played a critical role in helping them to manage their addictive behaviors Integrating the 12 Steps into Addiction Therapy gives psychologists therapists counselors social workers and clinicians the tools and resources they need to fully utilize these peer therapy program techniques in treating a wide variety of addictions

Spirituality in the Workplace Stephen J. Broadhurst, 2021-04-26 As we become more and more of a global trading world the challenges of leading and managing within this turbulent environment and its associated complex interconnected markets and disconnected relationships are indisputable so just how far can any change requirements be practically engaged with whilst also keeping the employee at the organisation's central core Today's business world cries out for people who can lead with a cross cultural global perspective who can lead from the heart as well as the mind and address and manage problems on not just an integrated local level but also with a healthy holistic perspective The subject of spirituality has long been discussed within academic research but there still seems to be a misunderstanding and stagnation of both its real meaning and application amongst business academics the population and organisations alike This book aims to provide a realistic message to help those who are looking for some answers for those who are looking for a way to advance their own skill set and progress both their careers and the organisation's current standing to move from being confused and insecure about strategies and tactics to positively contributing to not only their own but also to the employees well being and the business's overall purpose and intention By basing the content upon real and relevant interesting modern day perspectives applications requirements opportunities and benefits all combined into a manual for thought and a practical framework for action this book will significantly and realistically move the subject of spirituality forward This book will be of interest to researchers academics and students with a special interest in the positive influence of spirituality within the
