**Water Fasting & Dry Fasting for Beginners** Merryl Kowalska,2023-01-10 Water Fasting Dry Fasting for Beginners is a life manual that teaches the ancient healing and spiritual art of water fasting as well as dry fasting Fasting has been used for centuries as a powerful tool for healing and spiritual growth What is water fasting Water fasting is abstaining from food for a certain period of time It is a time where you can only consume pure and clean water and nothing more Dry fasting takes it a step further where you do not consume any food and water for a period of time If you are just starting out water fasting is the way to go Once you gain more experience and confidence you can easily shift from water fasting into a pure dry fasting Nevertheless it should be noted that there are many spiritual seekers and even health enthusiasts who are already satisfied with water fasting and have no interest in doing a dry fast You can also do the same if you want Feel free to do whatever makes you feel good clean and healthy Water Fasting Dry Fasting for Beginners teaches the ins and outs of fasting Fasting is not a new invention It has been in existence since ancient times for various purposes mainly for religious spiritual and health purposes I have practiced both water and dry fasting for years and I am here to share with you everything that I have learned Before we move further I want you to know that water fasting as well as dry fasting is very much doable You just have to give yourself enough time to adjust If you want to be healthy and enjoy a deeper experience of spirituality then water dry fasting might just be the way to satisfy your spiritual cravings This practice is deeply experiential and it can even change you as a person In fact many of those who seriously go on a fast experience a wonderful and pleasant state of mind and such a state of mind can only be achieved through the practice of fasting Although there are many ways to do fasting it remains true that there are really only two original ways of fasting and that is through a water fast or a dry fast As far as this book is concerned we shall use the term fast or fasting to refer to both water and dry fasting except when clearly specified to mean otherwise So are you ready to learn the wonders of fasting If yes then without further ado let us begin your journey to health peace of mind well being and spirituality
