Autobiographical Comics Elisabeth El Refaie, 2012-10-24 A troubled childhood in Iran Living with a disability Grieving for a dead child Over the last forty years the comic book has become an increasingly popular way of telling personal stories of considerable complexity and depth In *Autobiographical Comics Life Writing in Pictures* Elisabeth El Refaie offers a long overdue assessment of the key conventions formal properties and narrative patterns of this fascinating genre The book considers eighty five works of North American and European provenance works that cover a broad range of subject matters and employ many different artistic styles Drawing on concepts from several disciplinary fields including semiotics literary and narrative theory art history and psychology El Refaie shows that the traditions and formal features of comics provide new possibilities for autobiographical storytelling For example the requirement to produce multiple drawn versions of one self necessarily involves an intense engagement with physical aspects of identity as well as with the cultural models that underpin body image The comics medium also offers memoirists unique ways of representing their experience of time their memories of past events and their hopes and dreams for the future Furthermore autobiographical comics creators are able to draw on the close association in contemporary Western culture between seeing and believing in order to persuade readers of the authentic nature of their stories

PathoGraphics Susan Merrill Squier, Irmela Marei Krüger-Fürhoff, 2020-06-08 Culturally powerful ideas of normalcy and deviation individual responsibility and what is medically feasible shape the ways in which we live with illness and disability The essays in this volume show how illness narratives expressed in a variety of forms biographical essays fictional texts cartoons graphic novels and comics reflect on and grapple with the fact that these human experiences are socially embedded and culturally shaped Works of fiction addressing the impact of an illness or disability autobiographies and memoirs exploring an experience of medical treatment and comics that portray illness or disability from the perspective of patient family member or caregiver all of these narratives forge a specific aesthetic in order to communicate their understanding of the human condition This collection demonstrates what can emerge when scholars and artists interested in fiction life writing and comics collaborate to explore how various media portray illness medical treatment and disability Rather than stopping at the limits of genre or medium the essays talk across fields exploring together how works in these different forms craft narratives and aesthetics to negotiate contention and build community around those experiences and to discover how the knowledge and experiences of illness and disability circulate within the realms of medicine art the personal and the cultural Ultimately they demonstrate a common purpose to examine the ways comics and literary texts build an audience and galvanize not just empathy but also action In addition to the editors the contributors to this volume include Einat Avrahami Maureen Burdock Elizabeth J Donaldson Ariela Freedman Rieke Jordan stef lenk Leah Misemer Tahneer Oksman Nina Schmidt and Helen Spandler Chapter 7 Crafting Psychiatric Contention Through Single Panel Cartoons by Helen Spandler is available as Open Access courtesy of a grant from the Wellcome Trust A link to the OA

Graphic Reproduction Jenell Johnson, 2018-05-02 This comics anthology delves deeply into the messy and often taboo subject of human reproduction Featuring work by luminaries such as Carol Tyler Alison Bechdel and Joyce Farmer *Graphic Reproduction* is an illustrated challenge to dominant cultural narratives about conception pregnancy and childbirth The comics here expose the contradictions complexities and confluences around diverse individual experiences of the entire reproductive process from trying to conceive to child loss and childbirth Jenell Johnson's introduction situates comics about reproduction within the growing field of graphic medicine and reveals how they provide a discursive forum in which concepts can be explored and presented as uncertainties rather than as part of a prescribed or expected narrative Through comics such as Lyn Chevley's groundbreaking *Abortion* Eve Bethany Doane's *Pushing Back A Home Birth Story* Leah Hayes's *Not Funny Ha Ha* and *Losing Thomas* Ella A Father's Story by Marcus B Weaver Hightower the collection explores a myriad of reproductive experiences and perspectives The result is a provocative multifaceted portrait of one of the most basic and complicated of all human experiences one that can be hilarious and heartbreaking Featuring work by well known comics artists as well as exciting new voices this incisive collection is an important and timely resource for understanding how reproduction intersects with sociocultural issues The afterword and a section of discussion exercises and questions make it a perfect teaching tool

Artful Breakdowns Georgiana Banita, Lee Konstantinou, 2023-03-02 Contributions by Georgiana Banita Colin Beineke Harriet Earle Ariela Freedman Liza Futerman Shawn Gilmore Sarah Hamblin Cara Koehler Lee Konstantinou Patrick Lawrence Philip Smith and Kent Worcester A carefully curated wide ranging edited volume tracing Art Spiegelman's exceptional trajectory from underground rebellion to

mainstream success Artful Breakdowns The Comics of Art Spiegelman reveals his key role in the rise of comics as an art form and of the cartoonist as artist The collection grapples with Spiegelman s astonishing versatility from his irreverent underground strips influential avant garde magazine RAW the expressionist style of the comics classic Maus the illustrations to the Jazz Age poem The Wild Party and his response to the September 11 terrorist attacks to his iconic cover art for the New Yorker his children s books and various cross media collaborations The twelve chapters cut across Spiegelman s career to document continuities and ruptures that the intense focus on Maus has obscured yielding an array of original readings Spiegelman s predilection for collage improvisation and the potent protest of silence shows his allegiance to modernist art His cultural critique and anticapitalist antimilitary positions shed light on his vocal public persona while his deft intertextual strategies of mixing media archives from comics to photography and film amplify the poignance of his works Developing new approaches to Spiegelman s comics such as the publication history of Maus the history of immigration and xenophobia and the cartoonist s elevation of children s comics the collection leaves no doubt that despite the accolades his accessible comics have garnered we have yet to grasp the full range of Spiegelman s achievements in the realm of comics and beyond

German Graphic Narratives and Trauma Elisabeth Krimmer, Maureen Burdock, 2025 This volume explores the representation of political racial sexual and environmental trauma in German language graphic narratives which has thus far received little scholarly attention In recent decades as graphic novels have exploded in popularity and have increasingly been engaged with by scholarship there has been a marked increase in comics that deal with traumatic experiences These experiences arise variously from warfare genocide terrorism racism sexual violence domestic violence illness disability migration natural disasters or climate change among other causes Indeed scholars including Hillary Chute and Gillian Whitlock have argued that graphic narratives are particularly well suited to portraying traumatic experiences through the lens of individual memories This edited volume builds on the emergent body of work on the representation of trauma in graphic narratives but focuses exclusively on German language graphic narratives whose exploration of trauma has so far received little scholarly attention Essays dealing with theoretical and conceptual concerns are joined by analyses of individual creators of graphic narratives including Olivia Vieweg and Volker Reiche In addition there are transcribed conversations among the contributors to the graphic story compilation But I Live Miriam Libicki Gilad Seliktar and Barbara Yelin and between Birgit Weyhe creator of the graphic narratives Madgermanes and Rude Girl and the Germanist Priscilla Layne who is the model for the main character in the latter book A final essay looks back further with a critical appraisal of the poet Rolf Dieter Brinkmann s sampling of comics in his late 1960s Popliteratur works scholarly attention Essays dealing with theoretical and conceptual concerns are joined by analyses of individual creators of graphic narratives including Olivia Vieweg and Volker Reiche In addition there are transcribed conversations among the contributors to the graphic story compilation But I Live Miriam Libicki Gilad Seliktar and Barbara Yelin and between Birgit Weyhe creator of the graphic

Alexie's novel "The Absolutely True Diary of a Part-Time Indian" Katja Grasberger, 2016-05-18 Seminar paper from the year 2014 in the subject American Studies Culture and Applied Geography grade 1 3 University of Bonn Anglistik course Native American First Nations Literature and Culture language English abstract The following paper will deal with the relationship between text and illustrations in Sherman Alexie's novel *The Absolutely True Story of a Part Time Indian*. Sherman Alexie is a Native American which he prefers to call Indians and grew up on the Spokane Reservation which is also the setting in the novel. His novel partially tells his own story which means it is semi autobiographical. One of the main topics of his novels and also very present in this novel is alcoholism probably because his father had an alcohol problem as well. It is important to mention that Alexie's novel is not a comic in the first place because it mainly shows single illustrations which contribute to the text's meaning. It is therefore a graphic novel meaning that it is a narrative with occasional pictures with a dominance of verbal elements. However, there are still five actual comics in the book. Not only writing novels but also poems and short stories, his novels present the nobly suffering Indian Campbell but also the hard reality of urban life. Campbell, by also telling the hard naked truth about being Indian. Comics have been out there for several decades but they have not always enjoyed a broad audience. The genre of comics is often readily dismissed as being for children, young male adolescents and even for sub literates. This marginalized genre is more than that; it offers topics and themes for everyone, varying from fiction to politics, fantasy, erotica, essays, autobiography and many more. As Douglas Wolk puts it, comics have grown up. As comics went through a long development of experiencing setbacks and success at the same time, today we have shops exclusively for cartoons, comics or illustrations. As modern literature and culture changed into being more visual and less written, the genre of comics and illustrations has become more attractive and popular. Moreover, since the Marvel and DC comics and especially their remakes as movies such as Spiderman, Thor, Ironman, Captain America, Avengers, Watchmen, Sin City and many more, the genre became more accessible for people who have not had a huge interest in comics beforehand. Although comics are drawn and represent a picture, we read comics holding them in our hands, turning their pages. Wolk. When in the 1970s the main topics were simplistic superhero fantasies or violence, today the genre is also dealing with serious topics. Visual Metaphor and Embodiment in Graphic Illness Narratives Elisabeth El Refaie, 2018-12-11. Conceptual Metaphor Theory (CMT) claims that humans use their own bodies as a source of creativity for metaphors. Elisabeth El Refaie explores how metaphors change according to our body's alteration through diseases like cancer. Using an analysis of visual metaphor in thirty-five graphic illness narratives, she re-examines embodiment in traditional Conceptual Metaphor Theory (CMT) and proposes the notion of dynamic embodiment. *A Smithsonian Book of Comic-book Comics* J.
