Whose Children Are We? the Future That Awaits Us Stefano Tardani,2016-08-29 The book covers the fundamentals of human life and the family as well as issues pertaining to the social and human sciences seen in the light of Christian values Christianity has something great and precious to offer everyone both Christians and non Christians alike This we must recover and discover anew and make known through a new evangelization The words of the Prayer of Our Father contain the blueprint for our life and survival the knowledge and beauty not only of being human but of the family and of the way of living in society This is definitely a new and different book teaching about the meaning and the sense of life a precious tool for the formation and pastoral care of young people and families towards a rediscovery of Faith and of the dignity of human life Translations into another 9 languages for forthcoming publication *Catholics and Anti-Catholicism in Chosŏn Korea* Don Baker, Franklin Rausch,2018-10-31 Korea s first significant encounter with the West occurred in the last quarter of the eighteenth century when a Korean Catholic community emerged on the peninsula Decades of persecution followed resulting in the deaths of thousands of Korean Catholics Don Baker provides an invaluable analysis of late Chos ŏn 1392 1897 thought politics and society to help readers understand the response of Confucians to Catholicism and of Korean Catholics to years of violent harassment His analysis is informed by two remarkable documents expertly translated with the assistance of Franklin Rausch and annotated here for the first time an anti Catholic essay written in the 1780s by Confucian scholar Ahn Ch ngbok 1712 1791 and a firsthand account of the 1801 anti Catholic persecution by one of its last victims the religious leader Hwang Say ng 1775 1801 Confucian assumptions about Catholicism are revealed in Ahn s essay Conversation on Catholicism The work is based on the scholar s exchanges with his son in law who joined the small group of Catholics in the 1780s Ahn argues that Catholicism is immoral because it puts more importance on the salvation of one s soul than on what is best for one s family or community Conspicuously absent from his Conversation is the reason behind the conversions of his son in law and a few other young Confucian intellectuals Baker examines numerous Confucian texts of the time to argue that in the late eighteenth century Korean Confucians were tormented by a growing concern over human moral frailty Some among them came to view Catholicism as a way to overcome their moral weakness become virtuous and in the process gain eternal life These anxieties are echoed in Hwang s Silk Letter in which he details for the bishop in Beijing his persecution and the decade preceding it He explains why Koreans joined and some abandoned the Catholic faith and their devotion to the new religion in the face of torture and execution Together the two texts reveal much about not only Korean beliefs and values of two centuries ago but also how Koreans viewed their country and their king as well as China and its culture **Life's Not Fair...** Sam Sekimi,2019-08-19 Author Sam Sekimi has been twice married and twice divorced and she sees the ends of her two marriages as her biggest failures She believes the commitment to the meaning behind her marriage vows should be lived out until death When this did not happen for her her self esteem and confidence suffered and only with time counseling and
