## **American Odyssey Vocabulary And Guided:**

**An American Odyssey** Mary Schmidt Campbell, 2018-08-06 By the time of his death in 1988 Romare Bearden was most widely celebrated for his large scale public murals and collages which were reproduced in such places as Time and Esquire to symbolize and evoke the black experience in America As Mary Schmidt Campbell shows us in this definitive defining and immersive biography the relationship between art and race was central to his life and work a constant driving creative tension Bearden started as a cartoonist during his college years but in the later 1930s turned to painting and became part of a community of artists supported by the WPA As his reputation grew he perfected his skills studying the European masters and analyzing and breaking down their techniques finding new ways of applying them to the America he knew one in which the struggle for civil rights became all absorbing By the time of the March on Washington in 1963 he had begun to experiment with the Projections as he called his major collages in which he tried to capture the full spectrum of the black experience from the grind of daily life to broader visions and aspirations Campbell s book offers a full and vibrant account of Bearden s life his years in Harlem his studio was above the Apollo theater to his travels and commissions along with illuminating analysis of his work and artistic career Campbell who met Bearden in the 1970s was among the first to compile a catalogue of his works An American Odyssey goes far beyond that offering a living portrait of an artist and the impact he made upon the world he sought both to recreate and celebrate [American Odyssey](#) Glencoe Publishing Co, 1994
