Réformer le droit des contrats ? Pascal Ancel, André Prüm, 2020-01-16 un moment où la France a adopté une importante réforme de son droit des obligations et où la Belgique s'apprête à faire de même dans le cadre d'une refonte générale de son Code civil le Luxembourg troisième pays à avoir conservé le code de 1804 comme base de sa législation civile se trouve confronté la question de savoir s'il doit lui aussi procéder à une réforme similaire et si oui quelles voies il doit suivre dans cette réforme Doit-il coller au plus près au système français qui lui servait jusqu'alors principalement de modèle Doit-il compte tenu du contexte luxembourgeois spécifique choisir sa propre voie en combinant des solutions issues des réformes française et belge avec des solutions venues d'autres traditions et en s'inspirant éventuellement des textes internationaux et des projets

européens Le présent ouvrage est tiré des travaux d'un colloque qui s'est tenu à l'Université du Luxembourg les 22 et 23 novembre 2018. Il rassemble des contributions actualisées d'auteurs allemands, anglais, belges, russes, français, québécois et suisses qui présentent chacun leur droit ainsi que les instruments européens et internationaux pertinents autour de six thèmes fondamentaux du droit des contrats. Chaque chapitre est complété d'un riche matériel de droit comparé. Au-delà d'une réflexion sur une future réforme du droit luxembourgeois, l'ouvrage devrait intéresser tous ceux qui souhaitent comprendre les ressemblances et les divergences d'approches dans les sept systèmes juridiques et les différents instruments européens et internationaux analysés sur les thèmes essentiels du droit des contrats retenus.
