**Promoting Academic Success with English Language Learners** Craig A. Albers, Rebecca S. Martinez, 2015-08-31

Educators and school psychologists throughout the country are working with growing numbers of English language learners ELLs but often feel unprepared to help these students excel This highly informative book presents evidence based strategies for promoting proficiency in academic English and improving outcomes in a response to intervention RTI framework

Illustrated with a detailed case example the book describes best practices for working with K 5 ELLs in all stages of RTI universal screening progress monitoring data collection decision making and intensifying instruction In a large size format for easy photocopying the book includes more than two dozen reproducible worksheets Purchasers get access to a Web page where they can download and print the reproducible materials This book is in The Guilford Practical Intervention in the Schools Series edited by Sandra M Chafouleas *Handbook of Response to Intervention and Multi-Tiered Systems of Support* Paige C. Pullen, Michael J. Kennedy, 2018-10-04

Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention *Effective School Interventions* Matthew K. Burns, T. Chris Riley-Tillman, Natalie Rathvon, 2017-09-29

Natalie Rathvon appears as sole author on first 1999 and second 2008 editions title pages *Academic Assessment and Intervention* Steven Little, Angeleque Akin-Little, 2014-01-21 Serving students with academic deficiencies necessitates communication and collaboration among professionals from several disciplines Academic Assessment and Intervention brings together divergent approaches in order to demonstrate that scientific evidence rather than biases or previous practice must determine assessment practices that are selected and used for particular purposes Similar to a handbook in its comprehensive topical coverage this edited collection provides a contextual foundation for academic assessment and intervention describes both norm referenced and curriculum based assessment measurement in detail considers the implications of both of these assessments on ethnically diverse populations provides a clear link between assessment evidence based interventions and the RTI model and considers other important topics related to this area such as teacher behavior Intended primarily for

graduate level courses in education school psychology or child clinical psychology it will also be of interest to practicing professionals in these fields

**Assessment and Intervention for English Language Learners** Susan Unruh, Nancy A. McKellar, 2017-03-07 This book presents evidence based practices for appropriate assessment of and school based services for young English language learners It identifies and addresses the challenges of assessing and intervening with these students at the curricular instructional environmental and individual levels particularly the complexities of determining the presence or absence of learning disabilities Case studies and comparisons with fluent English speakers illustrate the screening and evaluation process including multi tier system of supports MTSS and response to intervention RTI and proactive intervention planning in core literacy and math domains Together these chapters model effective teaching practice advocacy and teamwork with parents and colleagues as well as policy development toward meeting the needs of this diverse student population This invaluable guide Examines challenges of data collection when working with English language learners Traces the development of dual language fluency and competence Discusses language acquisition issues affecting oral language assessment Reviews commonly used assessment and intervention tools in use with English learners Features specialized chapters relating to reading writing and mathematics competencies Can be used regardless of first language spoken by students

**Assessment and Intervention for English Language Learners** is an essential resource for researchers professionals and graduate students in diverse fields including school and clinical child psychology assessment testing and evaluation language education special education and educational psychology
