Aimsweb Mcap Second Grade:

Assessment-Powered Teaching Nancy W. Sindelar, 2010-11-19 The purpose of Power Teaching is to change teachers attitudes toward testing by illustrating the power that meaningful assessment brings to the art and science of teaching The book also shares efficient and practical tools and strategies for using formative and summative assessment results to actually enhance teaching effectiveness and students learning Using testimonials from power teachers the text shows classroom teachers how they too can use assessment analyses to inform their teaching provide motivational feedback to their students and monitor their students progress toward learning targets and standards This handy reference argues that testing can be a power tool for helping teachers rather than an intrusion on academic freedom and valuable instructional time A key distinction of the book is its coverage of using technology to collect and analyze assessment data **Assessment for Intervention, Second Edition** Rachel Brown-Chidsey, Kristina J Andren, PsyD, Ncsp, Kristina J. Andren, 2015-03-03 Problem solving assessment is an essential component of multi tiered systems of support such as response to intervention RTI and positive behavioral interventions and supports PBIS This authoritative work provides a complete guide to implementing a wide range of problem solving assessment methods functional behavioral assessment interviews classroom observations curriculum based measurement rating scales and cognitive instruments Prominent experts demonstrate the key role of assessment throughout the process of supporting at risk students from identifying academic and behavioral problems to planning and monitoring interventions Several chapters include reproducible forms that can be downloaded and printed in a convenient 8 1/2 x 11 size New to This Edition Reflects current education policy and best practices Seminal chapter on problem solving by Stanley L Deno has been updated with a revised model All chapters now discuss assessment in the context of multi tiered systems of support Chapter on working with culturally and linguistically diverse learners Chapter on graphing student data See also *Response to Intervention Second Edition* by Rachel Brown Chidsey and Mark W Steege which provides step by step guidelines and practical tools for implementing RTI schoolwide
