A breed unlike any seen before or since, the powerful, stylish American muscle car defined an era in automotive history. This history traces the rise and fall of these great performance cars from their precursors in the 1950s through the seminal appearance of the Pontiac GTO in 1964 and then year by year to the end in the 1970s. Approachable and nontechnical yet deeply informative, it puts the bygone muscle car in its cultural and aesthetic contexts, describes developments in styling, performance and marketing, and revels in the joys of muscle car ownership in the 21st century.
