

# Brilliant Traces

*[A pool of moonlight falls into the empty room. There is a pounding at the door.]*

**ROSANNAH.** *(Off.)* Anybody there? If anybody's there, let me in! I'm a person in serious trouble.

*(Banging and kicking continue. Then, suddenly, with one loud crash, the door bangs open and an exhausted, freezing woman, Rosannah DeLuce, bursts in. She is wearing a wedding gown and veil. Also silver satin slippers. She is wet and cold to the bone. Her satin and lace cling to her and droop like a living thing that has died on her skin. The wind outside is howling. She struggles to close the door. Then she turns, and what had formerly appeared to be nothing more than a pile of blankets on the bed, has suddenly transmogrified into a shrouded figure, standing. The lights brighten and expand. She backs up, truly frightened and on guard.)*

**ROSANNAH.** Why didn't you answer the door?

*(She gets no response from the blanketed form and continues with more courage.)*

I could've frozen to death! My death would've been on your hands, had that been the case. It's something like two hundred degrees below out there with the windchill, and I've been walking for over an hour. My car died. DEAD. I left it somewhere. I don't even know where. By now I'm sure it's totally buried in the snow -out there—somewhere.

*(Noticing the bottle of whiskey and a glass on the table.)*

Do you mind if I have a drink?

*(She helps herself to some whiskey. The figure remains frozen solid.)*
