Germany Since Unification:

Germany since Unification Klaus Larres, 2016-07-27 Almost a decade after the opening of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided country The books nine authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlight Germany s slow adjustment to the new realities The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany may yet take another 10 to 15 years This timely and well researched book outlines the many challenges facing Germany and its European neighbours in the post Cold War world

Representing East Germany Since Unification Paul Cooke, 2005-08 Cooke maps out the problematic path of German national identity as it struggles to deal with the legacy of division Drawing on postcolonial theory he argues that the East has been defined as the West s exotic other and shows how this stereotype has been vigorously challenged

The Federal Republic of Germany since 1949 Klaus Larres, Panikos Panayi, 2014-08-27 Today the problems of reunification seem to feature more often in the international spotlight than the benefits This timely volume offers a reassessment of Germany s postwar development from its inception through to reunification including a thorough examination of the implications for economic political and social policies The impressive team of contributors include leading names in the history of modern Germany together with some of the ablest younger scholars in the field They are Hartmut Berghoff David Childs Immanuel Geiss Graham Hallett Klaus Larres Terry McNeill Torsten Opelland Richard Overy Stephen Padgett Panikos Panayi and Mathias Siekmeier

Germany since Unification K. Larres, 2001-02-13 A decade after the fall of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided nation The books eleven authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlighted the gradually emerging short and long term patterns in Germany s slow adjustment to the new realities The country has not only become more populous and territorially bigger but also burdened with much underestimated problems particularly economic and social ones The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany into the Federal Republic has still not been completed and may take yet another ten to fifteen years The book is a timely and well researched effort by a team of outstanding experts to evaluate Germany s performance to date It gives the reader ample and well analysed information to comprehend the many challenges facing Germany and its European

neighbours in the post Cold War world Education in Germany since Unification David Phillips,2000-01-01 This volume is concerned with aspects of education in Germany over the 10 years prior to 2000 focusing on schools teachers vocational training and higher education in those eastern parts of the Federal Republic which formerly constituted the territory of the German Democratic Republic The articles deal with notions of transition and adaptation at a time of considerable upheaval and rapid change There is a particular focus in some contributions on the problems involved in conducting research on the views of teachers involved in complex processes of adjustment to a new status quo **The Unification and Reunification of Germany** Jackie F. Stanmyre,2018-07-15 The geography of Germany and the way it has been governed have changed many times since the 1800s This book explores Otto von Bismarck s role in the formation of the modern German state the partition of Germany following World War II and the events surrounding the decline of European communism including the fall of the Berlin Wall in 1989 and the reunification of East and West Germany in 1990 With photographs maps sidebars and fast facts readers will evaluate the country s numerous border changes and the massive impact they have had on the people who live there **German Foreign Policy Since Unification** Volker Rittberger,2001 This book examines the extent to which German foreign policy has changed since unification and analyzes the fundamental reasons behind this change The book has three main aims The essays develop theories of foreign policy to predict and explain Germany s foreign policy behavior They test competing predictions about German foreign policy behavior since unification in several issue areas They also assess the much debated question as to whether post unification Germany s foreign policy is marked by continuity or change **Beyond the Wall** Elizabeth Pond,2010-12-01 Beyond the Wall is the first book in either English or German to tell the whole story of the extraordinary revolution that demolished the Berlin Wall ended the Cold war and tore apart the Soviet regime Elizabeth Pond former Moscow and European correspondent for the Christian Science Monitor was an eyewitness to the dramatic events of 1989 92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them Pond weaves together in riveting prose the strands of events that are usually recounted separately Rather than looking just at the East German revolt or the process of unification that created a new nation she traces the interaction of these events and their diplomatic consequences for Europe Pond shows the political economic and social forces at work leading up to the unification during the transition process and in the aftermath Looking at the European framework she explains how significantly the European Community and its move toward integration both affected and were affected by German unification The book contains a wealth of new information form hundreds of interviews with top German and American policymakers East German Politburo members and average German citizens It also incorporates up to date research on such topics as the Stasi secret police and the midlife crisis of the German left Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe Calling for a continued partnership between the United States and Germany who have come through a common baptism of fire since the fall of the Berlin Wall Pond casts an optimistic eye

toward the future **The New Germany in the East** Christopher Flockton, Eva Kolinsky, Rosalind M. O. Pritchard, 2000 Produced with the International Peace Academy in New York this volume focuses largely on the conflicts of the 1990s and future projects examining multifaceted issues involved in conflict management suggesting new approaches and tools for future conflict management [Antisemitism and Xenophobia in Germany after Unification](#) Hermann Kurthen, Werner Bergmann, Rainer Erb, 1997-05-29 Since unification Germany has experienced profound changes including the reawakening of xenophobic hate crime anti Semitic incidents and racist violence This book presents the most recent research conducted by a team of American and German experts in political science sociology mass communication and history They analyze the degree of antisemitism xenophobia remembrance and Holocaust knowledge in German public opinion the groups and organizations that propagate prejudice and hate and the German American and Jewish perceptions of and reactions to these phenomena *Germany from Partition to Reunification* Henry Ashby Turner, 1992-01-01 A revised edition of *The Two Germanies since 1945* which discussed the partitioning of Germany after World War II and the formation of the two states This revised text covers unification the exodus of East Germans to the Federal Republic breaching of the Berlin Wall and overthrow of communism **The New Germany** John Richard Philip McKenzie, Derek Lewis, 1995 A comprehensive picture of Germany since reunification The work covers the fall of East Germany from the 1989 revolution the new political structures Germany's role as a European power the problems generated by the Western take over of the former GDR and culture and the arts **Ten Years of German Unification** Jörn Leonhard, Lothar Funk, 2002-04-30 In May 2000 scholars of history law politics and economics gathered in London to compare their various methodological and empirical perspectives on the 1989-90 collapse of the Germanies into a unity and the aftermath of the event from the perspective of a decade on Their 14 studies cover histo **Germany After Unification** Gert-Joachim Glaessner, 2023-11-27 German Monitor founded in 1979 is a series for themed edited volumes on literature culture and politics in the German speaking world since 1945 Our approach is inclusive some volumes focus on single authors political figures or genres other volumes explore themes such as narratives of trauma German left wing terrorism local global narratives and the roles that Germany Austria and Switzerland play in Europe today We welcome proposals for interdisciplinary volumes as well as those with a specifically literary cultural or political focus Many of our contributors are based in German Studies others in disciplines such as Comparative Literature Film Studies Musicology History Museum Studies and Political Science The book series has a system of double peer reviewing We publish volumes in German or English Authors are cordially invited to submit proposals to the publisher at BRILL Christa Stevens Questions about your manuscript and proposals can also be directed to the Editor in Chief Laura Bradley **The Unification of Germany** Charles River Charles River Editors, 2018-09-07 Includes pictures Includes contemporary accounts Includes online resources and a bibliography for further reading When invoking the term German unification many might initially think of the tumultuous period at the end of the 20th century when communist East Germany

and democratic West Germany came together to form the modern German state. However, that was technically a reunification because Germany was first unified as a nation state in 1871. That unification formed a state much larger than today's Germany, stretching from Strasbourg in the Alsace region in today's France almost 1,500 kilometers to Königsberg, now Kaliningrad in contemporary Russia on the Baltic Sea. This unified Germany was an experiment with few historical precedents. The 19th century was indeed the Age of Nationalism, but German speakers had traditionally been spread out across Europe, including the Austrian Empire, loose confederations such as the Holy Roman Empire, and many other countries. German unity was a seemingly impossible dream held by nationalists for many years, but it became a reality when Prussia, the largest state in the German Confederation, pursued a deliberate and aggressive strategy to bring as many German-speaking territories under its control. That is not to say most Germans resisted unification because even as life in an assortment of German states had some advantages, an underlying insecurity prevailed in principalities lacking overarching authority. German-speaking lands had been the sites of some of the continent's most brutal wars. Moreover, there was a growing sense of German cultural and linguistic togetherness fostered by nationalists, artists, writers, and composers. Not surprisingly, German unity in 1871 caused geopolitical ripples that reverberated for decades. Other larger European powers, such as Britain, France, and Russia, came to feel threatened by the rise of Germany. These tensions were still prevalent at the outbreak of World War I in 1914 and it became even more important in World War II. In part, this was because Germany also became an economic powerhouse, fundamentally altering the global economy. Alongside the rapid expansion of the United States, trade went through a transformation that still has ramifications today. The forces driving Germany's unification in the 19th century were similar to other trends of the era, but there were many specific and contingent factors playing out before 1871. In this respect, the unification of Germany is both an unusual and unfamiliar story.

The Unification of Germany: The History and Legacy of the German Empire's Establishment looks at the life and work of Germany's most famous politician and how Germany was unified. Along with pictures of important people, places, and events, you will learn about German unification like never before.

New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2001. The contributions to this volume analyze how and the extent to which German foreign and European policy has changed since German unification.

From Bundesrepublik to Deutschland Michael G. Huelshoff, Andrei S. Markovits, Simon Reich, 1993. Analyzes Germany's new role in world politics.

Economic Aspects of German Unification Paul J.J. Welfens, 2012-12-06. Paul J.J. Welfens, the editor, is pleased to present a second edition of *Economic Aspects of German Unification*, which includes new chapters and several postscripts. Almost five years after unification, output in the ex-GDR is back to its 1989 level. Due to a massive intra-German resource transfer, consumption per capita in eastern Germany has not fallen as much as output and employment, which reduced by one-fifth within three years. Given high West German transfers, which represented about 5% of West German GDP and more than 50% of East German GDP, the fall of industrial output could have been much stronger than had

politically been feasible Hence structural change necessary for productivity growth was dramatic in the ex GDR where the goods producing sector manufacturing mining energy and construction strongly changed its proportions within four years construction almost doubled and the share of investment goods production reduced by 10 percentage points between 1990 and 1994 and is now down to 21.1 % Mining lost two thirds of its share in the producing sector which itself was reduced relative to GDP The share of the services industry increased by 5 percentage points between 1991 and 1994 but with a share of 27.7% in East Germany's GDP it was still about 9 percentage points lower than in western Germany By contrast government accounted for 20.9% of GDP in eastern Germany but for only 13.2% in western Germany

Germany from Peace to Power? James D. Bindenagel, 2020-08-10 A surge of political trends and upheavals all over the world confronts German foreign policy with a world that is dramatically different from Berlin Republic unification in 1990 Brexit American decommitment to Europe and the rise of isolationist populist forces within Germany as well as in other European countries and the U S have undermined the foundations of Germany's foreign policy Germany is suddenly faced with another historical shift that is starting to shake the bedrock of its foreign policy A council of experts for strategic foresight can address Germany's strategic cultural deficit its civilian power fixation its resorts principle of ministerial independence and its coalition governance conflicts

The German Economy After Unification Jürgen Kröger, Manfred Teutemann, Commission of the European Communities. Directorate-General for Economic and Financial Affairs, 1992 Recoge Introduction Consequences and prospects for East Germany On the road to unification The economic approach to unification three simultaneous shocks and no transition period Economic consequences to date for East Germany The need to establish a favourable economic policy framework Changed pattern of the German economy Introduction Demand and supply dynamics after unification Impact on economic policy The issue of redistribution The united Germany in Europe economic aspects Introduction Short and medium term effects on the Community economy Aspects of European economic integration Lessons for Europe References Tables
