Make Teaching Sustainable Paul Emerich France,2023-08-18 Rethink your teaching practice with six mindset shifts that will transform how you approach the job ensuring that you can sustain your energy and effectiveness while empowering and supporting learners Traditional approaches to the practice of teaching are unsustainable Too many educators are disengaging burning out and leaving the profession in response to stressors both inside and outside of schools And high teacher turnover has a negative effect on our students In *Make Teaching Sustainable* Paul Emerich France explores six mindset shifts that you can implement to improve your educational environment while also supporting and empowering the students you lead

Humanity over industry
Collectivism over individualism
Empowerment over control
Minimalism over maximalism
Process over product
Flexibility over fixedness

The goal of sustainable teaching is not simply to have teachers do less work but also to help focus efforts on effective efficient and meaningful practices that make learning richer for students Guided by recent research and interviews with practitioners in the field France explores how mindset and practice shifts interact with themes of healing regeneration vulnerability partnership ritual and simplicity He also outlines tangible benefits to sustainable teaching from a reduction in burnout to an increase in student engagement with learning Whether you re a teacher coach or administrator *Make Teaching Sustainable* will inspire you to embark on a practicable action oriented path to sustainability ensuring that you can continue to be nurtured supported and effective in the profession that you love
