**Marriage Mirage** Shweta Singh, 2020-07-29 This comedy play is an Indianized farce on marriage and modern sensibilities. It is emblematic of the Desi identity of women that merges rural urban cosmopolitan ethos of womanhood in the South Asian communities. It has the spunk and the jazz of the characters of Munni Mangala and Maggie from three generations who have unique takes on marriage and love and relationships, each driven by a need of her times and her circumstances.

**Shutup Shaadi** Shagun Azad, *Shut Up Shaadi* is a powerful tale of a woman's struggle to break free from societal norms and generational expectations. The story questions traditional pressures, particularly around marriage, as the protagonist chooses her unique path over conformity. It's a bold narrative of empowerment, resilience, and individuality, inspiring women to reclaim their voices and define life on their terms. Through its heartfelt and thought-provoking journey, the book challenges outdated beliefs while celebrating the courage to embrace authenticity. It's not just a story but a movement that urges women to shatter stereotypes, uplift one another, and pave the way for a future rooted in freedom and self-expression. *Shut Up Shaadi* resonates deeply with anyone who has questioned societal expectations, offering a call to action for women everywhere to rise, resist, and unapologetically own their unique journeys. This is more than a book; it's a revolution.

**Lies & Lies About Lying** Conrad Riker, 101-01-01 *Men Are Being Played But You Already Knew That You've Been Lied To*. You've been blamed. You've been gaslit into silence. And every time you speak up, you're told you're toxic, paranoid, or misogynistic. But you're not crazy. You're not broken. You're not the problem. So why does every relationship feel like a trap? Why do women get away with manipulation while men are punished for speaking truth? When will the double standards end? This book isn't about blame; it's about power. Here's what you get: The hidden evolutionary strategy behind female deception and how it's weaponized daily. How feminism rebranded manipulation as empowerment and made men pay for it. Why white lies aren't harmless; they're the first move in a long con. The real reason men are silenced and how that silence is exploited. How social media turned every woman into a performance artist and you're the sucker in the audience. Why religion is mocked when it tells the truth about deceit but celebrated when it's twisted to excuse it. The psychological playbook women use from childhood and how men are kept in the dark. How to stop reacting and start seeing every lie before it lands. If you want to stop being manipulated, stop being blamed, and finally see the game for what it is, buy this book today.
