Zeno S Conscience:

Zeno's Conscience Italo Svevo, 2015-03-18 Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka and now available in a supple new English translation Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind The mind in question belongs to Zeno Cosini a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist Here are Zeno's interminable attempts to quit smoking his courtship of the beautiful yet unresponsive Ada his unexpected and unexpectedly happy marriage to Ada's homely sister Augusta and his affair with a shrill-voiced aspiring singer Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate Zeno's Conscience is a miracle of psychological realism

Zeno's Conscience - Svevo Italo Svevo, 2024-07-17 Zeno's Conscience is a novel presented as the fictional autobiography of Zeno Cosini an unreliable narrator who recounts his life story to his psychoanalyst The novel is structured around Zeno's attempts to quit smoking his relationships with his father and wife his business ventures and his extramarital affairs Svevo employs a stream of consciousness technique to delve into Zeno's psyche revealing his self-deceptions rationalizations and contradictions Zeno's reflections on his life are marked by irony and humor and his unreliable narration adds layers of complexity to the story One of the central themes of Zeno's Conscience is the exploration of human irrationality and self-delusion Zeno's repeated failures to quit smoking serve as a metaphor for his broader inability to control his impulses and understand his true motivations Svevo's portrayal of Zeno's inner life anticipates many of the themes and techniques later associated with psychoanalysis and modernist literature The novel also reflects Svevo's interest in the emerging field of psychoanalysis influenced by his reading of Sigmund Freud's works Svevo's depiction of Zeno's sessions with his psychoanalyst serves as a vehicle for exploring the complexities of human consciousness and the limitations of self-knowledge

Properties of Writing Robert S. Dombroski,1994 Many of the great writers of modern Italian fiction Manzoni Verga D'Annunzio and others share a strong belief in the transformational power of the written word According to Robert Dombroski each embraces literature as an institution and convention and each adopts the novel form as a means of affirming life in the face of troubled reality In *Properties of Writing* Dombroski explores their work and the social political and historical issues that have emerged in recent Italian fiction In each of nine critical readings Dombroski offers an original interpretation reconsiders past assumptions and redefines unresolved critical problems The result is the first book in English to focus on

the Italian novel from the perspective of ideological criticism Such an informed and comprehensive history of the modern Italian novel has simply not been available in English Properties of Writing is well documented extremely convincing and takes into account all of the useful recent criticism This is not surprising since Dombroski is one of the leading U S experts in the field of modern Italian fiction indeed an expert whose recognition is international Anthony Oldcorn Brown University
