Daisy Meredith, daredevil, tomboy, possessed of a brilliant mind, exuberant, quick-witted, fond of practical jokes, honourable, honest, courageous, straight in all things and... an elementary school pupil. Father – dead. Mother – a former opera singer who struggles to keep a home together for herself, Daisy, and Daisy's brothers – Dick, Douglas, Daniel and Duncan in a small terraced house in London's East End, by giving music lessons to private pupils. Daisy has recently taken an exam which will, if she succeeds in passing it, enable her to gain a place as the first ever scholarship pupil at Grangewood Girls School, one of the most famous educational establishments in the country. Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's *Worm's Eye View* and Hugh Hastings's *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre

Happy Natives Greig Coetzee, 2002 Greig Coetzee's latest play *Happy Natives* is a triumphant confirmation of this writer's ability to comment satirically and powerfully on South African society The play is extremely gripping very funny and yet keeps surprising the audience with its insight into the complexities of cross cultural relationships ten years on from the start of the rainbow nation The play shows how little we still know each other and how South Africans still make assumptions about each other based on racial grouping rather than on individual reality This is rich material for comedy and Coetzee excels in using such theatrical techniques as the reversal of expectation and the revelation of the unexpected and the contradictory *Happy Natives* is very contemporary looking at the way in which South Africans struggle to define their present identity Coetzee's play points out just what an interesting and richly human world we inhabit He shows that no human being in fact fits into the images that the media would like to sell us and that the effort required to relate authentically to one another is worthwhile A willingness to listen a tolerance of different ways and a sense of one's own worth are shown to be ways in which one can enjoy diversity
