Welcome and Introductions. Chas McCready was introduced as the newest member of the Budget Advisory Council. Mr. McCready also serves on the Legislative Advisory Council.

Review Agenda. The agenda and the March 12, 2014 minutes were approved.

Legislative Summary of 2014 Session. Mr. Taschner provided a copy of the 2014 Legislative Summary presented to the School Board on June 9. He began by highlighting the district's legislative activities and priorities this past session. Mr. McCready shared that this year the Legislative Advisory Council focused on learning about the district's space needs at the elementary schools and the new vision for instructional technology. In addition they developed the district's legislative priorities for the 2014 session and began meeting with legislators regarding these priorities.

The three priorities were:

- 1) Greater local funding authority to provide additional school space, up-to-date learning technology and safety and security improvements,
- 2) Fewer mandates and reporting requirements-increased flexibility in the use of compensatory revenue, fewer special education reporting requirements and elimination of the requirement for certain information to be published in a legal newspaper and
- 3) Transportation facility - authority to use local lease levy funds to lease a transportation hub facility.

The 2014 legislature approved an additional \$54 million targeted for E-12 education to support the following programs:

- \$25 per pupil increase to the General Education formula (\$762,000 annually for District 196);
- Increase English Learner eligibility from 5 to 6 years (approximately \$102,000 of additional revenue);
- Increased funding for Early Childhood Family Education and School Readiness programs (\$202,000);
- Increased funding for early education scholarships;
- Increased lease levy authority for school space (\$50 per pupil), and
- Free lunch for all reduced-priced eligible students.

The 2014 Legislature also approved the following education policy changes:

- Changes to reform and improve the instruction and achievement of English Learners;
- Safe and Supportive Minnesota Schools Act (anti-bullying law), and
- Health Insurance Transparency Act.

Our district, specifically our attorney Jill Coyle, worked with Senator Greg Clausen to suggest several amendments to the anti-bullying law which narrowed the definition of bullying and reduced the amount and frequency of staff training
