

Practice Tests for the Compass English as a Second Language Listening, Reading, and Usage/Grammar Exam with Grammar Study Guide and Exercises.

ACT Compass ESL Test Success is for intermediate and advanced-level ESL students. There are five level 3 practice tests and five level 4 practice tests in each skill area.

Accordingly, the book has ten practice tests in each skill area, so there are ten practice tests in listening, ten in reading comprehension, and ten in grammar and usage, for a total of thirty practice tests in the publication.

All of the practice tests in this publication are in the same format and assess the same skills as those that you will encounter on the actual Compass ESL test.

In addition, there is a grammar study guide and sentence building section, with further examples and exercises, to help you review the most important grammar and usage concepts assessed on the examination.
